

**YOUR PARTNER IN CALIBRATION
QUALITY BEGINS HERE**

Since 1969 Micro Precision Calibration Inc has been an industry leader in calibration and repair of Test & Measurement equipment.

We have earned our reputation by providing a cost effective and time efficient Quality Program that will ensure all of your test equipment is operating within manufacturers stated specifications and instills a level of confidence to the end user in the accuracy of the indicated measurements.

GLOBAL COMPANY WITH LOCAL SUPPORT

Micro Precision Calibration Inc is a Global company with local Focus. Through our expanding international lab network we are able to offer our customers localized support and service when and where they need it. We continue to expand this network to address the growing needs of our customers.

ISO 17025 ACCREDITED LAB FACILITIES

MPC Labs are an ISO 17025 Accredited Lab that performs Calibrations Traceable to International Standards. We are ISO 9001:2000 Accredited and ANSI Z540 Compliant.

ONE STOP SHOP FOR ALL YOUR CALIBRATION NEEDS

ELECTRICAL • MECHANICAL • OPTICAL • TEMPERATURE • PRESSURE

Fiber Optic / Light Wave Test Equipment • RF / Microwave Test Equipment • Dimensional Test Equipment

Semiconductor and Electronic Test Equipment • Telecom Test Equipment • Pressure Calibration

Force Calibration • Flow Calibration • Temperature Calibration • Humidity Calibration • ESD Test Equipment

Gage Blocks Calibration • Torque Wrench Calibration • Micrometer Calibration • Caliper Calibration

Standards Calibration • Vibration Systems Calibration • Video Systems Calibration • and much more!

FULL WEB BASED CALIBRATION AND EQUIPMENT MANAGEMENT SYSTEM

At MPC our customers enjoy secure 24 / 7 Web Access to all their Calibration and Equipment information. This includes online Certifications, Calibration Data, Equipment History, Calibration Recall Alerts, Equipment Management and Event Tracking.

FULL RANGE OF CALIBRATION TYPES DEPENDING ON YOUR NEEDS AND BUDGET

We offer the full range of Calibration Types to meet the needs of our customers.

TYPE OF SERVICE	TRACEABLE CALIBRATION	Z540 W/O DATA	Z540 WITH DATA	17025 ACCREDITED
Calibrated to Manufacturers Specifications traceable to NIST	X	X	X	X
ISO 9000 Compliant	X	X	X	X
Certification and Historical Data Posted on Secure MPC Web	X	X	X	X
Calibration Certificate Showing Instrument Status	X	X	X	X
Calibration Sticker / Tamper Seals	X	X	X	X
Instrument adjustment if found out of tolerance	X	X	X	X
Z540 Compliant		X	X	X
Full Calibration Data Provided			X	X
A2LA Report of Calibration with Uncertainties				X

CUSTOMIZED LAB OR ON SITE CALIBRATION SERVICE

We offer Calibration Services from our Lab network or we can send our team for On Site calibration at your facility. We customize our services to meet your needs of fast turn, affordable, and convenient Calibration.

EQUIPMENT MAINTENANCE AND REPAIR SUPPORT

In Addition to Calibration Services MPC offers our customers equipment maintenance, upgrade and repair services. These services are offered through our Global Lab Network.

EQUIPMENT RENTAL AND SALES

Equipment Sales and Rental are offered through our sister company, Micro Precision Test Equipment Inc (MPTE). MPTE offers new and used Test Equipment at reasonable prices and delivery times. Long term and short term Rental as well as Rent to Own options are available.
